

Brazos Julio 759

Date of Birth: 03/11/2017
Registration 1: B198088
Breeder: Ronnie & Jackie Mullinax
Owner: Lucky 4 You Ranch

Big tall, heavily muscled young bull. He puts nice color on his calves and they all have nice straight backs with good hip and his heifers look very feminine. He has produced more heifers than bulls. He is a very good natured, content bull. ***The Brazos Rose Ranger progeny are typically slow horn growth cattle after seeing older progeny from El Coyote Ranch this has been the pattern. Patience needed with them.
